

SMS MARKETING BLUEPRINT

TCPA & CTIA COMPLIANCE TEMPLATES

Updated November 1, 2014

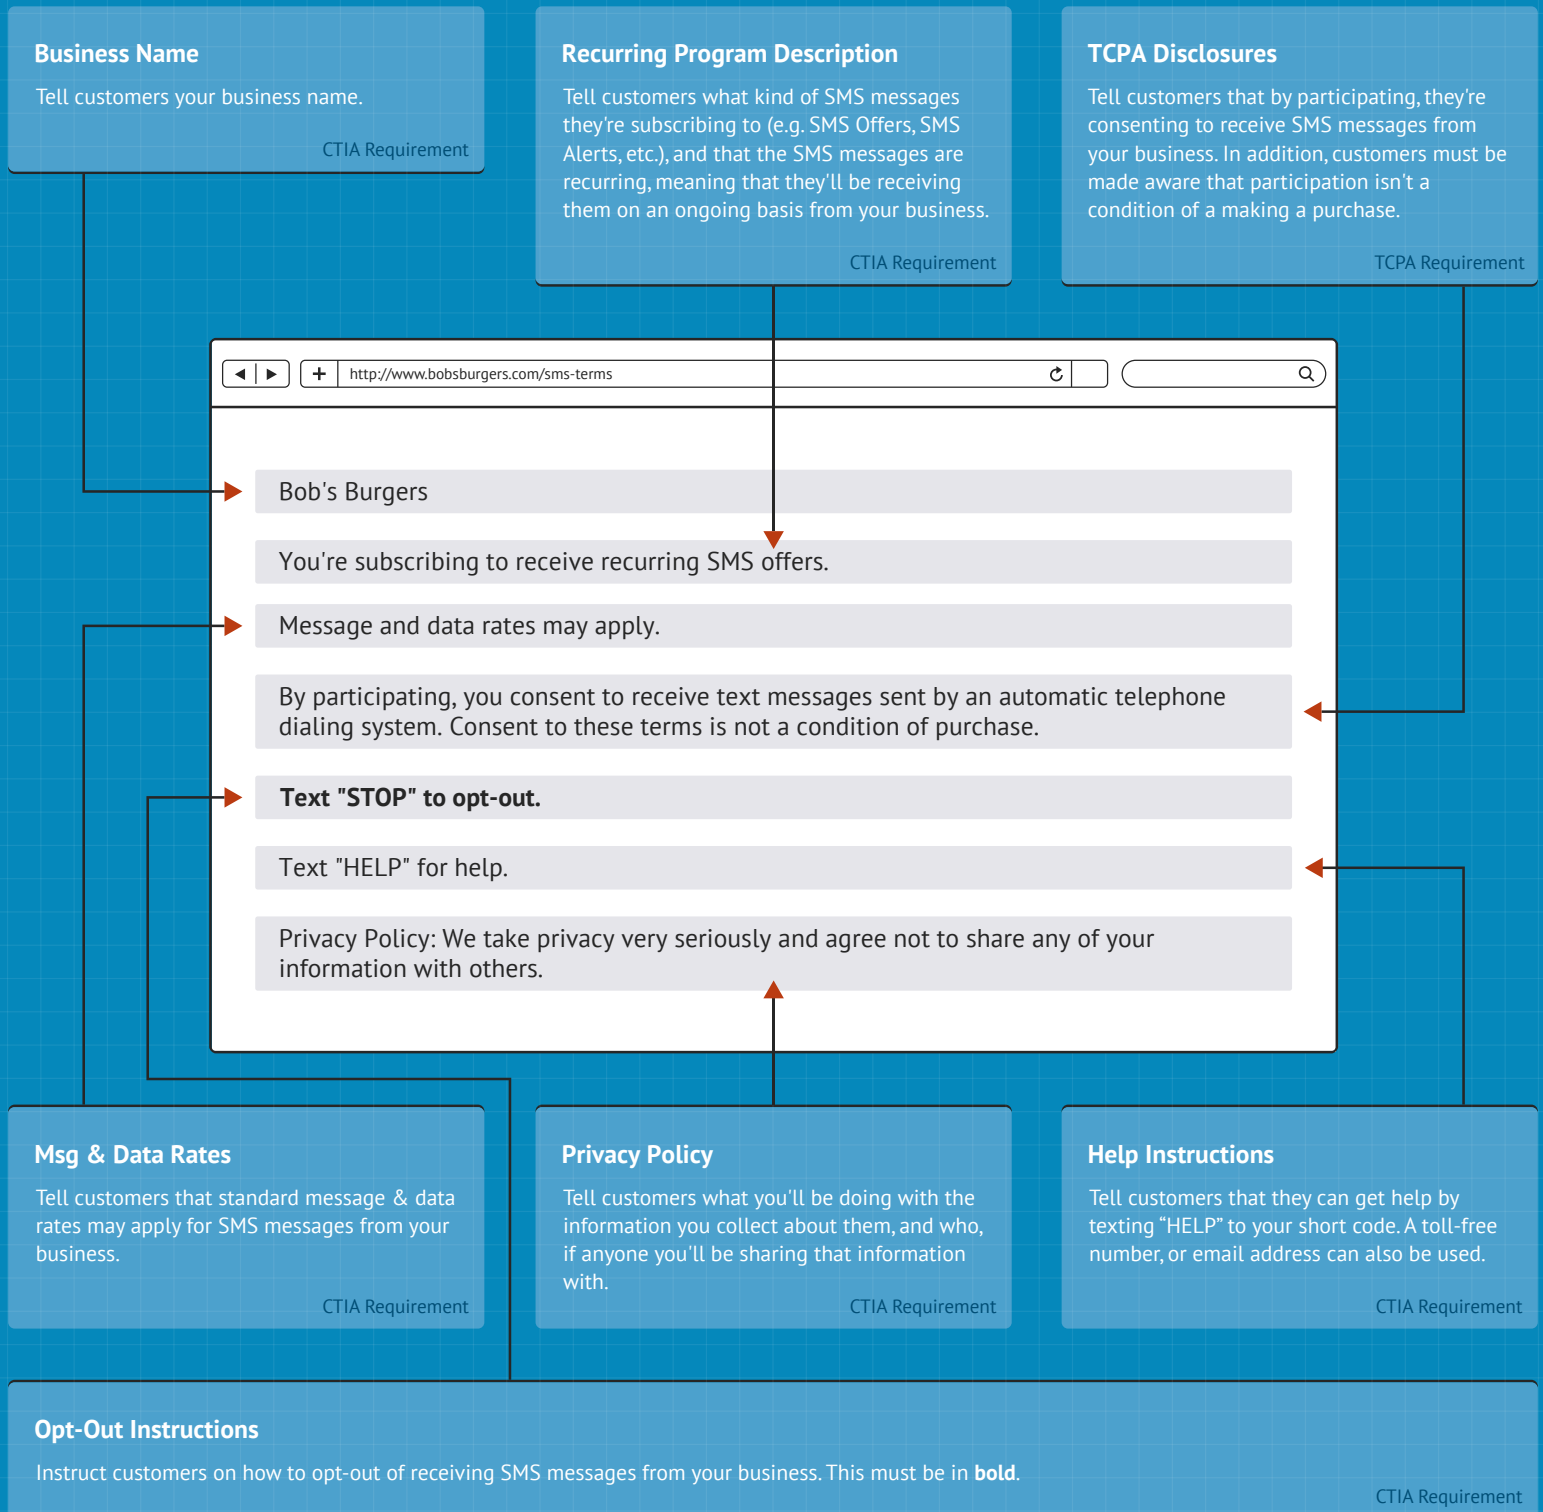

SMS ADVERTISING BLUEPRINT

Use the following template to remain TCPA & CTIA compliant when advertising your SMS campaign to customers.

SMS TERMS & CONDITIONS BLUEPRINT

Use the following template to remain TCPA & CTIA compliant in your SMS campaign's terms & conditions. The following will be hosted on it's own website, and linked to from where you advertise your campaign to customers.

OPT-IN MESSAGE BLUEPRINT

Use the following template to remain TCPA & CTIA compliant in the SMS message a customer receives after they opt-in.

Business Name

Tell customers your business name.

CTIA Requirement

Mobile Opt-In Keyword

Customers will text your mobile opt-in keyword to your short code.

Opt-Out Instructions

Tell customers that they can opt-out by texting "STOP" to your short code.

CTIA Requirement

Message & Data Rates

Tell customers that standard message & data rates may apply for SMS messages from your business.

CTIA Requirement

Recurring Program Description

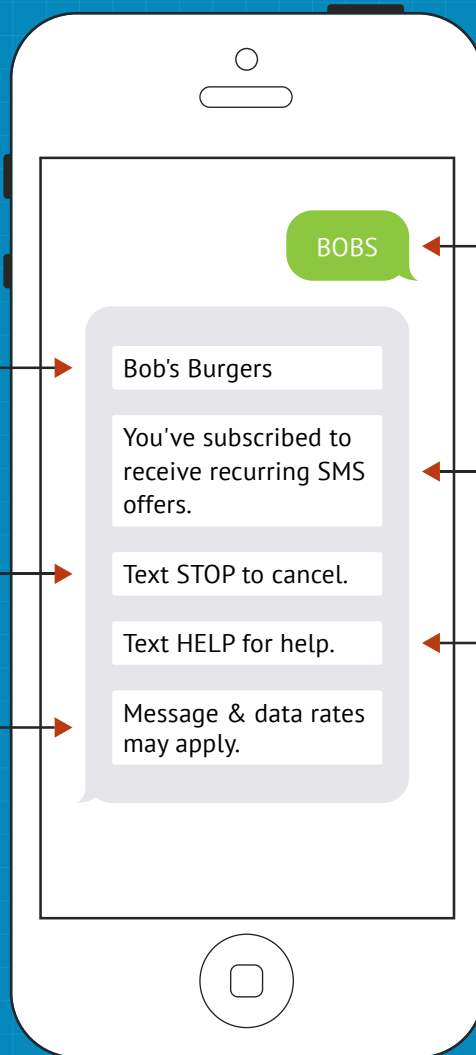

Tell customers what kind of SMS messages they're subscribing to (e.g. SMS Offers, SMS Alerts, etc.), and that the SMS messages are recurring, meaning that they'll be receiving them on an ongoing basis from your business.

CTIA Requirement

Help Instructions

Tell customers that they can get help by texting "HELP" to your short code. A toll-free number, or email address can also be used

CTIA Requirement
